Notes: Our metals are living finishes; they will change overtime and will never rust

It is difficult to get chrome plating to flow into inside corners of $90^{\circ}$ angles. A touch of brass may be visible on the inside corner.

The inside of a chrome Lenox Medicine Cabinet door is always nickel.

Set includes frame and door only.

Marble box sold separately.

Marble box comes with a fixed marble shelf.
See page 2 for stone options.

Based on an original medicine cabinet salvaged from Helena Rubenstein's New York apartment, The Lenox Cabinet is one of Urban Archaeology's most versatile products. The door panel, while usually mirror, can be almost any material, mesh, metal or speciality glass and can be customized with relative ease to accommodate different heights, widths, depths with multiple doors and illuminated sidelights.
