

Assembly Instructions for Alabaster Hanging Lights

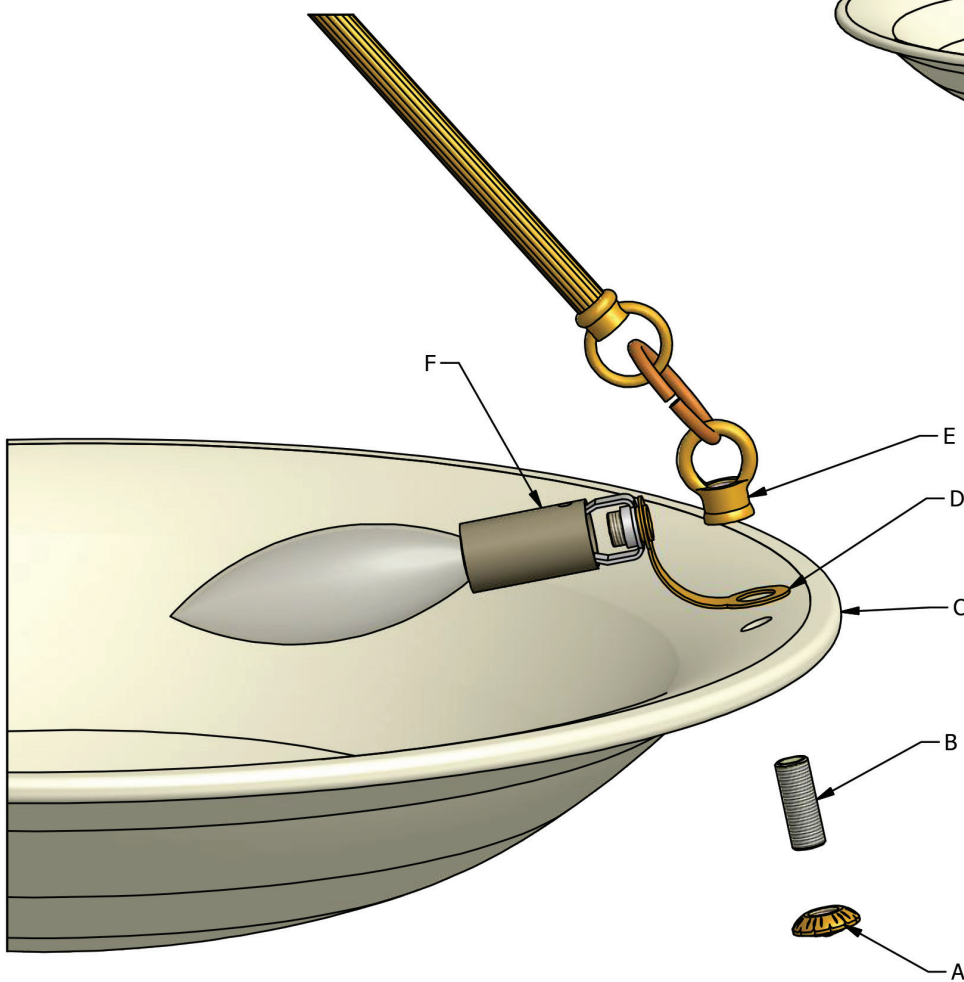

Installation Instructions:

Assemble the parts in the same order as they appear in the drawing (Fig.1).

- A. End Cap
- B. Nipple
- C. Alabaster
- D. Gas fitting for socket
- E. Loop rod end
- F. Socket

Isometric View

Instructions Assembly:

1. Unscrew (A) End Cap and (B) nipple from the loop rod end.
2. Insert the nipple through the hole in the alabaster and screw the end cap outside the alabaster.
3. Slide the gas fitting for socket in to the nipple and secure with the loop end.
