

**Oak Roll Top Desk on Wheels**

ca 1910

oak

American

A great example of early 20th-century craftsmanship, this sturdy oak rolltop desk features handcarved drawer handles and wood with a prominent grain pattern. It is also detailed with cornices and a scalloping pattern below the bottom front drawers. Compartments do show some warping, the desktop is level and functional as a writing surface. The desk is missing a lock, otherwise it is in ideal restored condition.
