

Gio Ponti Chandelier [6 Arm]

Gio Ponti
ca late 1950's – early 1960's
Aluminum, steel, brass
USA

For over fifty years The Roseland in Times Square has played host to many of the greats from Duke Ellington to the Rolling Stones. When the renowned venue underwent renovation, the Gio Ponti lights that graced the grand ballroom were removed in late 1970's – early 1980's. They have now been fully restored by craftsmen in our Tribeca location in Lower Manhattan.

3 available.

All are in very good, restored condition.
