

Vintage Industrial Lighting Exhibition

The industrial lights in this exhibition were produced between 1930 and 1940. These fixtures illuminated the factories, airports and warehouses of that era, but were eventually discarded in favor of lower quality fixtures that were likely to be replaced instead of maintained. Urban Archaeology has always seen the beauty in the lost art of fabrication, and has restored these fixtures elevating them to objects of art as well as functional lighting.

A. UA0252 SV | \$4,500  
25" w × 18 1/2" Ø × 17" h  
9 1/2" × 7 1/2" backplate

B. UA0253 SV | \$2,500  
19" Ø × 20 1/2" proj.  
1 1/2" U bracket

C. UA0024 SV | \$6,500  
6'-2" h × 5'-10" w  
36" Ø base  
4 available

D. UA0256 SV | \$3,500  
16" Ø × 22 1/2" proj.  
9" × 5 1/2" backplate

E. UA0257 SV | \$3,500  
24" Ø × 32" h

F. UA0258 SV | \$8,500 (Pair)  
18" Ø × 26" h  
20" base

G. UA0259 SV | \$2,900  
21" Ø × 21 1/2" proj.  
6" × 6" backplate

H. UA0260 SV | \$1,500  
12 1/2"Ø × 9 1/2"h  
2 available

I. UA0261 SV | \$1,500  
13"Ø × 9"h  
2 1/2" visible at ground level  
8 available

J. UA0262 SV | \$2,200  
9"Ø × 9"w  
22"proj.

We have multiples of many of these lights.  
Available for purchase in "as is" condition at a reduced price, or restored as shown in these images.
