

**Transom Arch with Spears**

ca 1930  
cast iron  
American

This large cast iron transom is comprised of six spokes radiating from a central semicircle. Spears pointing inward alternate with the spokes, evoking a raw, resilient sentiment. The transom was salvaged from the exterior of a New York building.

29"h x 60 1/2"w

**Item# UA0446 SV**

**~~\$1,200~~ \$850**
