

DECO BASE UTILITY LAMP

This antique deco base utility lamp has been polished and restored by the artisans at our Franklin Street showroom to its original condition. The polished steel lamp is fully adjustable and it's beautifully detailed deco base sits atop three casters for easy mobility. The multiple turn-key knobs allow the lamp to be positioned to direct light in almost limitless directions, making this a perfect addition to a workshop. The wonderful deco base makes it an elegant choice for any living space. Whether lighting a reading space, or illuminating your next project, this versatile solution can move from one space to the next with ease. The lamp includes an attached cloth-wrapped cord. This piece is displayed amongst a variety of antique lighting in our Franklin Street showroom.
