

## CORINTHIAN STONE COLONNADE

---

This beautiful colonnade, comprised of four carved limestone columns and a cedar trellis, stands as an inviting shelter from the summer sun. Each column (c.1920) comes complete with base and corinthian capital. Columns are sold individually in order to accommodate any custom layout or structure. Price below reflects individual, full columns only. Please contact our Bridgehampton store for more information on the cedar trellis, or for pricing on the full structure as photographed. Each octagonal column section measures roughly 11" in diameter, while each base measures 15" in diameter. Capital tops measure roughly 18" square.

REF# UA36 SV \$4500 (per column - trellis not included)

\*Please contact our Bridgehampton Showroom for more information.
