

ANTIQUe METAL MEDICINE CABINET

This antique metal medicine cabinet stands 69 1/2" tall, 29" wide (at the widest point), and 16 1/4" deep. All white painted metal, the cabinet was once used to house and keep secure all of the necessities found in a doctor's office. This durable, voluminous case is sure to add a touch of importance to all of your bathroom staples. The cabinet is on display in our Bridgehampton Showroom.
