

MEDICAL CABINET

Circa 1900.

This restored cabinet is the Cadillac of medical furnishings. It includes twelve rotating and locking drawers that are lined in milk glass, an upper cabinet with locking glass doors, glass side panels, and mirrored interior; the lower cabinet also locks. The cabinet has been powder coated in glossy bright white with polished nickel trim.

Cabinet measures 65.5"H x 11.75"D x 28.5"W. Top of cabinet measures 15"D x 31.5" W.

REF# UA58 SV \$19,500
