

Recreate your own Anni Albers' 'Design for Wall Hanging' by using V23's Claymonde colors (illustrated above).

Textile designer, draughtsman, printmaker and wife of Josef Albers, Anni Albers studied art at the Bauhaus in Weimar (1922–5) and Dessau (1925–9). Her Bauhaus training led her as early as the 1920s to produce rectilinear abstract designs based on color relationships.
