

Charles Street Pendant

UA0604 HL

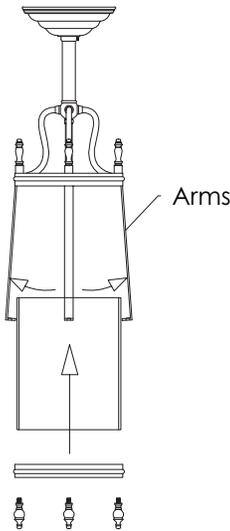

- A. Arms
- B. Glass Cylinder
- C. Base
- D. Finials

Warning:
Risk of fire and electrical shock if improperly installed—must be installed by a licensed electrician according to the instructions provided.

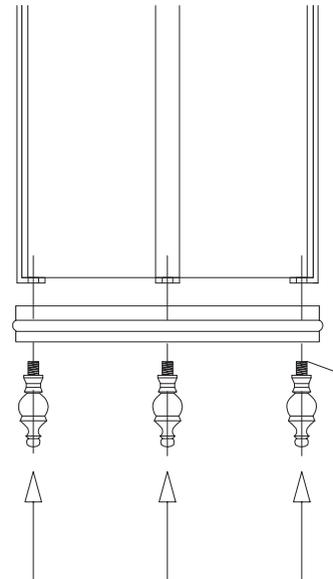

Caution:
Turn off power at main electrical box before installation.

Fig.1

1. Flex the arms (A) slightly and slide the (B) glass cylinder, inside of the four arms.

Fig.2

2. Slide the (C) base up over the arms. Screw (D) finials up into the base connecting it into the arms.
