# ***CROUSE-HINDS VINTAGE LIGHTING***

The following Crouse-Hinds Co. Vapor Proof lights were found in a Tribeca Warehouse. They are all in original boxes, unused. The lights are circa 1950 and have 2 styles in cast iron (with a baked finish) and 2 styles in cast aluminum.

We've manufactured wall brackets in cast iron and aluminum to adapt the lights for wall mounted use. These brackets are new and not part of the original Crouse-Hinds Co. design. The hanging pendants come with 2 feet of aluminum tubing and a cast aluminum canopy.

Changes can be made for an additional charge.
